Dated this the 22nd day of January 2007

JUDGMENT

Petitioner was declined recognition by the 2nd respondent for starting a nursing college. Eventhough petitioner filed appeal against the order before the Government, petitioner again remitted fees and demanded inspection by the second respondent. Standing counsel submitted that after conducting inspection on 24-11-2006 the second respondent still declined recognition for want of facilities. The first appeal filed by the petitioner is stated to be not received by the Government. However, Government Pleader submitted that a representation dated 4-10-2006 was received from the petitioner.

2. In view of the revised order declining recognition to the petitioner by second respondent, I feel petitioner can file a fresh appeal covering the revised proceedings as evidenced by Exts.P6 and P7 and if such an appeal is filed along with a copy of this judgment within two weeks from the date of receipt of a copy of this judgment, first respondent will conduct an enquiry, hear the

petitioner, call for records, get clarification of second respondent and dispose of appeal within one month thereafter.

Writ petition is disposed of as above.
